

Giving Update: March 2025

01 Fund Progress*

Ministry Fund: \$193,000 behind
Missions Fund: \$95,000 behind
Compassion Fund: \$4,000 behind
Development Fund: \$26,000 behind
New Ventures Fund: \$9,600 behind

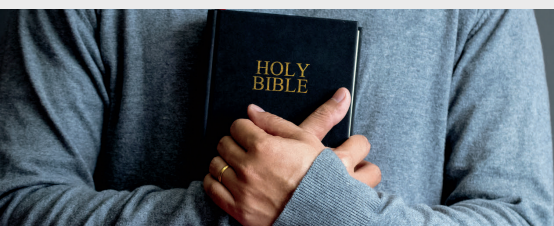

**The above figures have been updated to reflect all giving up to March 23, 2025, and are adjusted based on seasonal trends in giving averaged over a three-year period. This helps us provide a more accurate picture of our actual financial position.*

02 Fiscal Year-End: Ministry Fund

We are only three months away from our fiscal year-end. Although we are behind budget, our expenses have been significantly lower. This means that we are within striking range of finishing the fiscal year in a positive position in the Ministry Fund. In fact, if we are able to increase monthly giving by \$16,000 above our average, we project finishing the year in a positive position.

03 Thank You
